

# THE BIGGEST LITTLE BOURBON

2016 Gold Medal, The World Spirits Competition  
 2017 Bronze Medal, The World Spirits Competition

## PROFILE

This is a small barrel bourbon, which brings to the forefront all the wonderful characteristics of American Oak. With proper care, a small barrel can coax out notes of honeysuckle, vanilla, caramel, and coconut.

Also unique is the four-grain mash bill. Incorporating corn, barley, wheat, and rye bring a deeper nuance to the spirit, as opposed to more traditional bourbons with fewer varieties of grain. Sweet and smooth, earthy and spicy are all brought in through careful formulation and execution of the mashing.
