

THE RANCH HAND

AMERICAN PILSNER

PROFILE

Enjoyably easy drinking, this straw-colored Pilsner combines a bready, slightly sweet malt character with a modest hop addition to keep the brew at an even keel. With a clean finish and snap in the back, you can relax and enjoy this ole boy for a spell.

The Ranch Hand is a no-frills workhorse. Combining premium American barley malt, classic lager yeast, and the finest imported German hops, the brew takes on a familiar tone to most beer lovers.

TASTING NOTES

The Ranch Hand is a remarkably light yellow, brilliantly clear with a tight, fluffy head. The aroma is fresh dough with a hint of hop and snap that balances perfectly.

There is a soft malt character sweetness in the flavor with a touch of biscuit or white toast. Restrained hop character is just enough to break up the malty sweetness and leave you wanting more.
